

DAILY BREAD 25/04/2020

SEQUENCE OF END TIME EVENTS (PART 1)

My brother and sister, I don't want us to be ignorant about these important events concerning the end of times. I will take at least ten episodes to make sure we understand how things are going to unfold and perhaps prepare you as well about these approaching realities. It is very important, please read. It might be a bit long but it's something you need to know. I know you have time to read this, also I took time to prepare this message for you because I love you, so read all scriptures that are provided and ask questions if you will have any.

1. The first end time event to take place is called the **Rapture**. This a very important event to our Lord Jesus Christ because it is the time that he will come and take up his church. There won't be anything called church after this event. The church will be snatched/raptured by its owner Jesus. Understand that by church we mean those who are born again and live for Jesus. We are not told when exactly it will take place but we know by signs that it's now and it's very close.

1 Thessalonians 4:16(KJV)

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first. "(read the whole of *1 Thessalonians 4*)

1 Corinthians 15:51(KJV) "Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed....." (read until vs 58)

If you have read, you have seen that Jesus will come and his time is almost up now, because it was prophesied that the church will be given two days (which means two years in the vocabulary of God). The signs we are seeing are telling us that, Jesus is coming anytime soon. He said he will come like a thief during the night so you won't know whether it is tomorrow or next week, just stay ready holding on to your faith in Jesus for it will be the only qualification for you to participate in rapture.

Please note that, at the time of rapture no one will be judged. Jesus is not coming to judge anyone for now, don't confuse it with a later event when he will come in present day Jerusalem to judge the nations and rule there for a millennium (1000 years). During Rapture, Jesus will not even put his foot on the earth. He will remain in the air. He will descend from heaven with a loud voice of the Archangel and all his believers, the church, shall be caught up in the clouds with him. It's like being snatched up.

This is what will happen: Rapture will happen too fast that the bible called it in blink of an eye, the church will be gone. How does that happen? It will start with those believers who will be dead then, they will be given new bodies and they will be raised from their graves, then those believers who will be alive at that time shall be transformed and given new bodies (celestial bodies) and the two groups shall go into the sky to meet the Lord Jesus and go with him. All shall happen in a split of a second. If you were walking with a colleague, you will just see him disappearing, if your wife is the one who is born again, she will just be taken from your bed and leave you there. Jesus said two women at a grinding mill together, one will be taken one will be left. (*Mathew 24:41*). Please take note that those who died without having believed the Word or simply the sinners who have died, will not be raised now for their judgment. They will remain in their graves waiting for a time which we will talk about in the fourth/fifth episode.

It will be breaking news on many news channels after the Rapture of the church. The police will try to investigate what would have happened. It will be news all over the world. People will be shocked and only those who would have been offered the word of grace and rejected it are the ones that will begin to understand that oh, it has happened, we thought those preachers were naive, they will regret why they didn't believe the gospel and after that time all hell will break loose. Because there won't be any believers left around, no church and no grace to save anyone, the world will change. Antichrist will establish his rule and by brutal force he will try to rule the whole world. Those who will oppose him shall be severely persecuted and killed. Please note, antichrist is not a person but a political religious system that will emerge and will be running both the political and religious system of the world. It will be interesting as we shall see a very crucial role of Vatican City, Rome and the European Union (Europa) in the end of times. These nations are very significant to the end of times. You will have to study their behavior now and have the interpretations from the book of Revelation. We will talk about it.

Also note that some unproductive Christians will not make it on the rapture day, they will remain because Jesus said in **John 15:2** says "any branch in me that doesn't bear fruit will be cut away." After rapture these believers will now try to be serious about worship, they will realize their mistake of rejecting Jesus, but they will be heavily persecuted for trying to live for God, publicly butchered for trying to pray. Hatred for anything that is Christian will increase, and because they will refuse, they will not even be allowed to buy in shops. They will be cut off from the commercial activities of the world. If they don't give up, they will be saved but only very few will be saved at that time because many will not stand the pressure.

So why wait for that time? To those I love, I will say to them don't be left out during rapture. Do not wait to be saved during time of great tribulations, it will be too difficult. Make use of available grace to live for Jesus. Change your mind now and start not only to be called a Christian but to participate in the activities of the church. If you are reading this blog and you're not born again, make a decision now. Inbox us through the numbers below. Time is almost up.

Tomorrow's episode will be discussing about what will happen to those who would be raptured. We will discuss about the heavenly marriage of the Lamb and the antichrist wars that will be taking place on the earth for the two will be happening concurrently.... (**Rev 19**) Do not miss your copy tomorrow. Amen

SEQUENCE OF THE END TIME EVENTS (Part 2)

The beast, antichrist and the mark of the beast (*Revelation 13.*)

After the rapture of the church, a beast will emerge from the sea. *Rev 13*. Emerging from the sea means it will emerge from the people/nations. This beast will be a powerful entity that all the world will wonder at. If we look at *Rev 13:3-4* we see that it had a wound that was very deadly and it would be healed miraculously and the whole world marveled at it and worshipped the dragon that gave the beast that power and everyone will begin to fear the beast.

What is this beast and this dragon? We establish that from *Rev 12:9* that the dragon is Satan the devil himself and then who is the beast? The beast is a political religious power that will emerge in that time and will be the next super power. (we will accurately name it in next episodes). The scripture said it will have a deadly wound that will miraculously heal, what is this wound? The revelation I received from the Holy Spirit is that the wound will be its economy which will be in shambles and then start to pick up and grow to be the biggest economy in the world in record time and I will show you later in this same episode the other meaning of the wound that will cause you to marvel. The world will just be surprised and marvel at this and would want to follow the economic model of the beast (the new superpower).

After this, the beast will now seek to maneuver its influence in the nations by establishing a religious system hostile to that of God. He will begin to ban anything called worship for the beast and will have a religion of its own. It will blasphemy against God almighty and anything that represents him. *Rev 13:5-6* says he will be given a mouth to speak blasphemy against God, his temple and his saints, and this mouth means the media coverage that the beast shall enjoy in that day. Those who will refuse to worship the religion of the beast will be persecuted, maimed and killed.

Rev 13:11 shows us that another beast will now also emerge from the land but only to support the first beast and advance its agenda. This will also be another super power that will emerge in the world at that time but not different from the first one. It will succeed the first beast whose life span, remember according to *Rev 13:5* was only 42 months (three and half years). This beast will do exactly what the other one was doing. It will have the same policy and same power as the first. This beast will give its allegiance to the first beast and the dragon. This beast is the **ANTICHRIST** which we have heard about (*1 John 4:3*). See what it will do.

This beast/antichrist will not only be strong politically and economically, it will also be strong religiously. He will perform miracles and signs and wonders and everyone will be deceived by his powers and will worship him. Those who will refuse to worship him will be killed. This will be the way people will try to worship after rapture. If you are left out after rapture this is how difficult it will be for you to worship God.

Then, to fully establish its reign upon the nations of the world, the beast will request that everyone rich and poor, young and old should get his mark on his right hand or forehead. If you don't get his mark you will not be allowed to trade, to buy and sell and to transact. See ***Revelation 13:16-17***. Do you now see why we say Covid-19 is a devilish antichrist agenda against the people? They want to handbook the people into accepting a Corona Virus vaccine that will be put in as a chip in your body and this chip will work with a new technology called 5G which is already in the world right now. Without this chip, you will suddenly not be able to access your bank accounts or to travel across the world because at border posts and all ports of entry, they will scan you using the chip, there will be no need for passports anymore. The fact that the bible says it will affect both rich and the poor and all classes of society. Is seen in how Covid-19 behaves, its affecting anyone. Remember, from our paragraph two, the first beast had a big, fatal and deadly wound that just healed miraculously. Mark my words, this wound is the virus, the Covid-19 virus which seems deadly but will just be caused to disappear miraculously. Someone will claim the glory for healing the wound/the virus and in so doing will deceive many people into believing them. They will suddenly claim to have a vaccine or some powers to end the pandemic and because the world is reeling from the effects of the virus, they will all turn and appreciate the beast for bringing to an end the pandemic. See also, that I said before this beast will only last for 3 and half years and another one called antichrist will come. This other beast that heals the wound is right in the world and you will see him with how Covid-19 ends.... those with ears, let them hear what the spirit says to the church.

But the devil is liar, he has moved with so much speed to try and enforce all this before the rapture of the church, but he will not succeed. That's why you need to pray not only for yourself but for believers around the world to reject this satanic agenda. We know such things will happen but they should happen after the rapture. So, we tell satan that his time has not yet come. Jesus should first take his church out first. That is why you can't play church anymore; you have to be a believer.

You can't wait or delay your salvation. Nothing else will save you, serve Jesus with all your heart now so that you won't be left out of rapture.

Finally, for today, we look at the last verse of chapter **13** which is *vs 18*. It says the code or the number of the beast will be six hundred threescore and six. A score is 20 so this number is translated 600 + threescore which is $3 \times 20 + 6$ which gives 666. So the number or the code that will put you in the database of the devil is **666**. This is called the number of the beast. To those who will happen to have been left out by rapture, they should never take this mark, even if now when they try to cheat us into taking the chip, we should reject. It is better to die than to have the chip/mark because after getting it, there won't be any turning back. You will suffer the wrath of God and eternally be condemned. Read ***Revelation 14:9-10***.

Phew... it's already longer than I wanted it to be. Sorry dear readers. Will end here for today. Hope you have been enlightened and strengthened in your faith by this article. Give us your feedback and your questions. Should you wish to share with friends please do not edit anything from the text, just forward as is.... We will continue tomorrow, pray for us as well, that grace will be given to us to complete the series. Amen.

SEQUENCE OF END TIME EVENTS (PART 3)

(The Armageddon and second coming of Jesus. Daniel 11 & Revelation 19.)

Please note, the book of Daniel and that of Revelation are like twins in that they both predicted with accuracy the happenings of the end times. The same visions given to John are the same as was given to Daniel.

After the beast (the antichrist) has managed to establish his dominion in most of the countries on earth, he will seek to deceive other nations that will refuse to come under his rule into making treaties with him and some of them he will force and make wars with them. In total, during his reign the antichrist will fight a total of six wars of which the last one he will fight against Jesus himself who then will capture him in what is described as the Armageddon in the scriptures. He will finally be destroyed by Jesus and the armies of heaven. But before that very interesting event, let us look at what will lure this beast into daringly wanting to fight with Jesus and the armies of heaven.

During the time of the antichrist and his dominion. Three other powers will be established, one in the North, South and East, and West, I am sure you can now tell with certainty that the Antichrist is a power from the West. If you read *Revelation 17:3-6* it speaks about a woman riding a beast, and the woman is a great harlot which has committed fornicating with the rest of the world...I will explain some time about this woman and her demise as in *Revelation 17&18*.

Now all these powers (Kings) will focus on Jerusalem. They would want to occupy Jerusalem, which will be made an International City. So, we see in *Daniel 11:40*, the south and northern Kings mobilizing themselves to fight the beast or the antichrist. The antichrist will react by attacking every nation surrounding Jerusalem and will conquer it (vs *43*) but the two Kings will also be pressing towards Jerusalem to capture it for themselves then in the midst of that something will begin to worry him (the beast), *Daniel 11:44* ...he will hear that the King of the East (which probably will be China and her allies) which wasn't bothered much at first will also begin to mobilize again him together with the northern king(which will mainly be America and her allies). Remember previously in the chapter, all these powers had signed a peace treaty with one another but due to dishonesty of the beast, they will start to fight it. All this fight will be to take control of the city of Jerusalem. we will see why.

Now look at how this will fulfill prophecy. This war amongst all these kings is supposed to take place in Jerusalem. But they didn't know that it was God luring them to come for destruction...The time of the return of Jesus will now be ripe. **Revelation 19** will be happening in heaven concurrently with the mobilization of the armies of all these kings.

Let's turn a bit to what will be happening in heaven. **Revelation 19:7-8** says at the time the wedding of the Lamb will be ready...and her bride is now ready...look carefully the bride here is not the church but it is the city of Jerusalem because in vs 8 the bride was clothed with fine linen which was the righteousness of the saints, which means the clothes of the bride was the righteousness of the saints. **Vs 9** says blessed are those invited to that wedding...all saints are invited to the wedding of Lamb and its bride which is Jerusalem ... look at **Revelation 21:2** to see that the bride was actually a city (The new Jerusalem). The reason why these kings are mobilizing against Jerusalem to take it is because satan knows that this is where the throne of Jesus will be. Now Jesus will destroy all these kings for the sake of Jerusalem his bride...which will be the inheritance and the inhabitant of the church.

Now going back to the four armies that will have set up in Jerusalem to fight, then something suddenly happened, they don't have to fight each other now, they will see another army coming from heaven, they will then join forces to fight this army first. Which army is this one from heaven? It is the Army of Jesus. His wedding starts with a battle against his enemies. His bride is ready but he is supposed to crush all threat to the bride. The armies of heaven will come with Him, this army will be made up of the saints that were taken up during the rapture **vs 14** Look at **vs 17-18** an angel makes a great invite to all the birds of the air to come and eat the flesh of all the kings of the earth for there will be great slaughter of people on that battle **Vs 19**. Now when the beast and its other kings see the army coming from heaven, they will mobilize to fight against it. All of them will focus on this great threatening army that will be the army of Christ. They will put aside their animosity to join hands and fight to stop this heavenly army from taking charge of Jerusalem. This is what famously is regarded as the epic battle of the Armageddon (**Rev 16:16**).

Revelation 19:20-21 During the battle, the Army of Jesus will capture the beast, and the false prophet and throw them alive in the lake of fire and the rest of the armies will be slaughtered by the sword. This will be the end of the beast/the antichrist. Please note...the antichrist is not the devil, the devil has not yet been condemned yet, and the sinners who are dead are not yet judged. But this this the beginning of what we call the millennium. After this victory, Christ will reign for

1000 years on earth. We will then see the dragon/satan/ the devil being arrested by a powerful angel and put in pit for 1000 years *Rev 20*, but before that we will talk about the **JUDGEMENT OF NATIONS AND THE REDEMPTION OF ISRAEL AS A NATION....tomorrow.**

If you don't understand it now, don't worry, you will understand it one day, just keep it for reference's sake.
