BE CONSCIOUS OF THE POWER YOU HAVE

Luke 10:19 (KJV)

Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Indeed, you have power over **ALL** the power of the enemy and nothing shall hurt you. Any believer has this power. If you just believe this power will be activated in you. You can do extraordinary things by this power. I don't know who told believers that they don't have power or they need to improve the power that they have. This power can't be improved, Jesus gave us this power as complete and effective, it doesn't need you to do anything to improve it, you only need to believe in Him and the power is activated. The switch to turn it on is simply believing.

Mark 16:17-18 (KJV)

And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

Do you know all those signs can follow you right away by believing in Jesus and his words? You don't need a pastor to cast the demons away or to cast those devils that some see in their dreams. Some even experience sexual abuse in their dreams and they are wishing they could find a **VERY POWERFUL PASTOR** to cast that out of them but if you re-read the two scriptures given above, you then see you don't really need to wait for anyone.... You have the power. Not just the power, you also have the authority which is the right to use that power.

Demons do have some power but their power is limited to Unbelievers, it can only work on the one who doesn't know Jesus. When you believe or turn to Jesus Christ, it then becomes illegal for the demons to operate in your life. If the demons dare to trespass into your life, it is your right to remind them by quoting these scriptures. That is why it says " in my name they will cast out demons". Casting demons is not negotiating with them, it's telling them with authority to leave and surely, they will do because they know they are now illegal. When you are in Christ, you are

now free. Imagine you were in jail and you finish your term or get pardoned and freed from jail...do you go home with the prison officer guarding you daily like what he was doing when you were still in jail? No, he can't do that, it's illegal, he can't harass a free citizen. Same with you, the day you believed, you became free, it's illegal for demons to harass you.

If a police officer has been fired by the government, does he have the power to stop you in the road and arrest you? No, he can't, why because he is not legally mandated to do so anymore. You must remind him that sir, you have lost the right to do this when you lost your job with the government. Same as demons, they have lost the right to torment you the day you believed, their job over you expired. OR can you be arrested by Zimbabwean police while you are in South Africa or vice-versa? It's not allowed to do so; they have to seek permission. Same with demons they can't torment you because you don't belong to their kingdom anymore, you belong to another kingdom. It's illegal for them to do so. **YOU HAVE TO STOP THEM.** Amen.
