FACTORS OF FINANCIAL SUPPLY.

It's the desire of God that we be well supplied and that we have increase in whatever we do in this life. God has many ways that he leads us to prosperity with and all those factors should always be respected. Never look down upon any one of them for they are God ordained to help you. Today we will discuss a few factors that influence our increase in supply in this life.

1.Hard work.

It is a fact that hard work can increase one's income/revenue. Even the Bible teaches that. *Proverbs 21:5 (KJV)*, The thoughts of the diligent tend only to plenteousness; but of every one that is hasty only to want."

Diligence (hard work) will cause plenty or increase to come. Laziness always leads to poverty and that's a fact! However, not all hard workers have plenty. We have many poor people who never rest. Many people work for long hours but have nothing to show for it.

2.Get an Education

It is a fact of life that if you get education and get a good job it can improve your income. Education can give you a good grade at work. Education can improve your value hence better benefits. It is imperative for one to keep improving his/her levels of education. Even small courses like "dog sitting/walking " can improve your income significantly. However, it's not always that the most educated are the most financially stable people. Some educated people are struggling financially. Some even poor.

3. God's Supernatural Power of Supply.

You have to also believe in God's supernatural abilities. God is supernatural and so are his ways. God does have his ways of supplying you with good. We are right now in circumstances where most people are in lockdown such that if you were only depending on hard work for your supply you are then limited in some way because your scope of work has been affected. Even your good qualifications can't help much in the prevailing economic situation. You need now to understand that God is supernatural in his ways even in his supply methods. He can supply to you despite the prevailing conditions. Look what he did with Isaac during the time of famine and drought... *Genesis 26:12 (KJV)*", Then Isaac sowed in that land, and received in the same year a hundredfold:

and the LORD blessed him." It was supernatural because no one else sowed anything because of drought but God caused Isaac's seed to produce. This is happening to you this season. Amen

Matthew 17:27 (KJV), Notwithstanding, lest we should offend them, go thou to the sea, and cast a hook, and take up the fish that first cometh up; and when thou hast opened his mouth, thou shalt find a piece of money: that take, and give unto them for me and thee." How do you explain this? This is how supernatural supply will happen in your life this year. Believe it! God will lead you somewhere, where it's not about your hard work or wisdom, where it's not about how educated you are but where it is about him.... supernatural! Surely, it's coming your way!

Luke 22:35 (KJV)" And he said unto them, When I sent you without purse, and scrip, and shoes, lacked ye anything? And they said, Nothing." The disciples were sent with nothing, no shoes (yes, they started with no heels, pumps, sneakers, tan boot), without any purse of money. When they came back Jesus asked them a question, " Did you lack anything?" They all said they didn't lack anything! Which means there was some supernatural power supplying them. Whaal! You have to also budget supernatural supply. Supernatural supply can happen to you anytime from now. God is causing some people to talk about you right now. Discussions about you are going on in some office, or some bedroom somewhere, get ready, you don't know who is going to be your next caller today. I BELIEVE IN SUPERNATURAL SUPPLY. Amen.
